SUBSCRIPTIONS FOR LOCAL PUBLIC TRANSPORT SERVICES – ISEE FARE

Important information on how to access the discounted ISEE fare for public transport

With Resolution No. 750 of August 10, 2012 (**Restructuring of service contracts between the Tuscany Region and Trenitalia Spa and between the Tuscany Region and TFT Spa – Increase in travel fares**), the Regional Council introduced, effective from November 2012, a **discounted fare** for regional public transport services. This consists of an exemption from the 20% fare increase applied to subscription tickets, benefiting users with an **ISEE (Equivalent Economic Situation Indicator) value below €36,151.98** (Category A).

With Resolution No. 373 of March 30, 2015, the Tuscany Region approved a **new verification program** for users benefiting from the ISEE discounted fare for public transport. This program, in line with the latest ISEE regulations (Ministerial Decree of November 7, 2014), aims to **simplify** the process for users to prove their right to the discounted fare while also providing public transport companies and the Tuscany Region with a **more structured control system**. The verification process is enhanced by the use of **new digital technologies** to ensure greater efficiency – see below "Controls and Penalties."

REGIONAL PUBLIC TRANSPORT SERVICES

The discounted ISEE fare applies to the following regional public transport services:

- **Trenitalia regional rail service**
- **TFT rail service** (Arezzo-Stia and Arezzo-Sinalunga lines)
- **Pegaso integrated fare system**
- **Urban and suburban bus services**

HOW TO OBTAIN THE ISEE TPL CERTIFICATE

The **ISEE TPL certificate**, issued in the name of each household member, can be printed after completing the ISEE declaration. It can be obtained in the following ways:

- **Directly by the user**, if they have access to a computer, by visiting the website <https://servizi.toscana.it/tpl/isee-fe/> and following the simple steps outlined in **Annex 1**.
- **With assistance**, for users without access to a computer, through public service points available across the region (for exact locations of **Public Relations Offices (URP)**, **PAAS - Assisted Access Points to Services**, **Ecco Fatto centers**, and **libraries**, please refer to **Annex 2**).

Important Notes

- The **ISEE TPL certificate can be printed or displayed in digital format** once INPS has issued the official ISEE value, following the submission of the ISEE declaration (DSU). Instructions regarding the new ISEE system can be found on the INPS website.
- The certificate is **personalized**, meaning each household member must print their own individual certificate.
- The **ISEE TPL certificate expires on December 31** of the year in which the ISEE declaration (DSU) was issued, in accordance with the latest ISEE regulations.

What is the ISEE?

The **ISEE (Equivalent Economic Situation Indicator)** is a measure used to assess a household's economic condition. It determines eligibility for reduced fees in healthcare and social services, as well as access to discounted rates for local public transport and other public services.

How to Obtain an ISEE Certificate

To obtain an ISEE certificate, citizens can:

- Visit a **CAF (Tax Assistance Center)** or their local **Municipality**, where they can submit the necessary **Dichiarazione Sostitutiva Unica (DSU)** free of charge. The National Social Security Institute (**INPS**) will then issue the official ISEE certification.
- Apply directly online through the "**Online Services**" section of the INPS website: <https://www.inps.it/>.

Checks and Penalties

With **Resolution No. 373 of March 30, 2015**, following updates to the ISEE declaration regulations, the Tuscany Region revised the **verification procedures** for the ISEE discounted fare in public transport. The key points are summarized below:

- When purchasing a discounted ticket and during onboard ticket inspections, passengers **must present the ISEE-TPL certificate**, which may be shown in **digital format** as an alternative to the paper version.
- As an alternative to the ISEE-TPL certificate, **bus transport companies** (for motorway services) may issue a **personal identification card** to passengers, upon presentation of their ISEE-TPL certificate.
- Passengers holding a **personal subscription with an ISEE discounted fare** who **fail to present** both a valid **identity document** and an **ISEE-TPL certificate** during ticket inspections will be subject to **administrative fines** ranging from **€40 to €240** for urban transport services and from **€60 to €360** for extra-urban services. Additionally, they must pay the full fare for the journey, as outlined in **Article 25, Paragraph 3 of Regional Law No. 42/1998**.
- Passengers using a **fraudulent ISEE-TPL certificate** or **ISEE discounted fare subscription** will face penalties under **Article 25, Paragraph 6 of Regional Law No. 42/1998**, as well as **Article 316-ter of the Italian Penal Code** regarding fraudulent use of public funds.
